

AEJMC
Public Relations Division
Call for Reviewers (Revised February 2008)

Dear Colleagues –

Please consider helping the Public Relations Division to have a successful research and teaching paper competition in summer 2009! We're seeking reviewers for the AEJMC conference in the Windy City.

If you are willing to review submissions for the open (research) category, please contact Lois Boynton at lboynton@email.unc.edu or by phone at 919/843-8342. Those interested in reviewing teaching submissions should contact Bojinka Bishop at bishopb@ohio.edu at 740/593-2675. Note that reviewers may not submit papers to the section they have committed to judge. That is, if you plan to submit a paper to the teaching section, you may judge papers in the open section, but not the teaching section and vice versa.

We know your time is precious, and we will ask you to review no more than five or six papers within a three-week period.

This year all AEJMC divisions are conducting reviews online, which means you will be able to access and submit your reviews with ease. After the paper deadline of April 1, we will send you user-friendly directions on how to access your assigned papers and submit your reviews.

If you are willing to judge this year, please let us know. Include with your reply a brief description of your preferences (if any) for research areas and methodologies, as well as your preferred contact information.

Thank you in advance for your help.

Sincerely,

Lois Boynton
