

# 10 Reasons for Taking Thermodynamics

- 1. Required for CBE students**
  - gotcha !
- 2. Show people that you are smart**
  - this is why we require it for CBE students...
- 3. Maximize efficiency**
  - if you are smart...
- 4. Scare people away from CBE**
  - because we are smart ?
- 5. Thermo is important and pervasive to everything**
  - just like chemical engineers...
- 6. Make sure that your reactor won't explode**
  - this is very important !
- 7. Good for modeling**
  - computers don't explode...
- 8. Help with other classes and research**
  - multiple birds with one stone...
- 9. To learn and re-learn**
  - practice makes perfect...
- 10. Because it's fun !**
  - yeah~~~
